The Orthopaedic Trauma Association has implemented a policy to comply with the current Accreditation Council for Continuing Medical Education (ACCME) Standards for Integrity and Independence in Accredited Continuing Education requiring mitigation of all conflicts of interest. Faculty declaring a relevant commercial interest must be identified in the activity syllabus and/or program.

In accordance with disclosure policies of OTA and the ACCME, every effort has been made to ensure all CME activities are balanced, independent, objective, and scientifically rigorous. These policies include complying with ACCME's Standards for Integrity and Independence in Accredited Continuing Education and **mitigating all relevant conflicts of interest for all individuals in control of content.**

All of the relevant financial relationships listed for these individuals have been mitigated.
